Event Type: Awareness Program

Event Title: Documentary Show: "Lahari"

No. of Student Participants: 30

Purpose: The purpose of "Lahari" documentary is to raise awareness about drug abuse, showcasing its impacts on individuals and society. Through personal narratives and expert insights, it aims to foster empathy, understanding, and proactive engagement. "Lahari" seeks to inspire positive change, challenge misconceptions, and mobilize communities against drug abuse.

Outcome: The outcome of the "Lahari" documentary program includes heightened awareness about drug abuse, increased empathy towards affected individuals, enhanced understanding of the issue's complexities, and empowered communities to take proactive measures against drug abuse, ultimately leading to a reduction in substance use and improved support systems for those affected.

Student Feedback: The feedback analysis for the "Lahari" documentary reveals overwhelmingly positive responses, with 96.4% rating it as excellent, signifying significant impact and engagement. Minor percentages found it good (2.1%) or satisfactory (0.75%), indicating room for improvement.

Event Title : Chemistry Exhibition : Magic of Molecules- Beyond the Test Tube

No. of Student Participants: 64

Purpose:

- The purpose of organizing an exhibition by chemistry students as experiential learning is to offer a platform to demonstrate the practical applications of theoretical knowledge.
- By engaging in hands-on experiments, students enhance their comprehension of chemistry concepts, promoting critical thinking, problem-solving abilities, and emphasizing the real-world significance in scientific exploration and innovation.

Outcome:

- It nurtures creativity, boosts confidence, and enhances communication skills as students showcase their projects, equipping them for future academic and professional pursuits in the field of chemistry.

Student Feedback:

Feedback from attendees shows a very positive reception to the organization and layout of the exhibition, with most giving it an excellent rating. Participants largely believe that the exhibition greatly improved their grasp of chemistry concepts through hands-on activities and offered plenty of chances to hone their critical thinking and problem-solving abilities. Additionally, the majority expressed high satisfaction with the overall experience, underscoring the event's success in enhancing and enriching their educational journey.

Event Title : Chemistry unplugged- An interactive Journey

No. of Student Participants: 41

Purpose:

- The purpose of conducting an exhibition by chemistry students as experiential learning is to provide a platform for showcasing practical applications of theoretical knowledge.
- Through hands-on experimentation, students deepen their understanding of chemistry concepts, fostering critical thinking, problem-solving skills, and real-world relevance in scientific exploration and innovation.

Outcome:

- It fosters creativity, confidence, and communication skills as students present their projects, preparing them for future academic and professional endeavors in the field of chemistry.

Student Feedback:

The "Chemistry Unplugged - An Interactive Journey" exhibition received predominantly positive feedback from participants. A significant 55% to 69% of respondents were "Very Satisfied" with the exhibition across all feedback categories, indicating a strong appreciation for the relevance of demonstrated experiments, clarity of explanations, promotion of critical thinking, and overall real-world significance. However, there were areas of improvement identified: 7% to 8% were "Unsatisfied" with the engagement and interaction with exhibits and 11% found the explanations neutral. Despite these areas, the exhibition was largely successful, with the majority of participants highly satisfied with the interactive journey through chemistry concepts.

Event on: 25-03-2024

Report on: 26-03-2024

Department: Chemistry

Event Type: Soft skills

Event Title: Training on Cleaning product making- Dish wash

No. of Student Participants: 19

Purpose:

- Training students to make dishwash develops practical skills, imparts chemical knowledge, and fosters problem-solving abilities.
- It enhances understanding of ingredients, promotes environmental awareness, and encourages sustainable practices.
- Additionally, it nurtures entrepreneurial skills by potentially creating a pathway for students to develop and market their own eco-friendly cleaning products.

Outcome:

- Students acquire hands-on experience in creating a functional dishwash solution.
- Understanding of the chemical properties and interactions of the ingredients used in dishwash formulation.
- Promotion of eco-friendly practices and understanding the environmental impact of household cleaning products.

Student Feedback:

The feedback for the hand wash making training program indicates a positive response from participants. A majority strongly agreed that the training enhanced their practical skills and promoted eco-friendly practices. Most participants also agreed that the training provided valuable chemical knowledge and nurtured entrepreneurial skills. However, a small number of participants expressed neutral opinions on some aspects. Overall, the training was well-received, effectively enhancing practical skills, chemical knowledge, and promoting sustainable practices among participants.

FEEDBACK ANALYSIS

1. The training effectively enhanced my practical skills in making dishwash.
2. The training provided valuable chemical knowledge related to dishwasher formulation.
3. The training promoted my understanding of the ingredients used in dishwasher and their interactions.
4. The training effectively encouraged and promoted eco-friendly and sustainable practices.
5. The training nurtured my entrepreneurial skills and provided insights into developing and marketing eco-friendly cleaning products.

Department: PG Department of Commerce (Finance Section)

Event Type: Logo Launch of The TALENT TITANS Club

Event Title: "Triumph- The Sixth Sense of Fearless".

No. of Students Participated: 83

Resource Person : Ms. Priya Menon Founder Director of Sankalp Creative Ventures Pvt. Ltd.

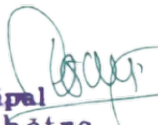

Purpose: The main objective behind the session was to inculcate the students an idea on TRIUMPH and to launch the logo of Talent Titans club. It also helps to provide an insight into the sixth sense of fearless.

Outcome:

- She covered all the aspects of Triumph- the sixth sense of fearless and also explained various benefits and challenges she had gone through as an entrepreneur.
- Students have cleared their doubts on the Govt. Initiatives and schemes which helped them to become a successful entrepreneur.
- They also presented their handmade soap 'YUVANS Handmade' prepared by themselves to the resource person as token of their love and she appreciated for the same. It boosted their self confidence on building an empire created by them.
- Various inter-departmental competitions and an expo named CRIADOR 2023 were also hosted by the club on 25th, 26th and 29th September respectively which helped them to gain practical knowledge on marketing and sales too.
- Managerial skills were also developed as all the students were actively participating in hosting the games and competitions

Report on : 28-11-2023

Department: Section B Com Taxation

Event type: Psychological session

Event Title: Thought, Tide & Confluence

No. of Student participants: 58

Resource Person: Ms. Laxmi Kumar Pillai, Assistant Professor in Education at BVNCTE.

Purpose: Understanding the motivations behind choosing a taxation course and setting academic and career goals. Managing the academic workload, deadlines, and balancing study time with other commitment and how taxation students think, reason, and problem-solve in the context of their studies. How attitudes towards taxation, learning, and the future impact their academic performance and well-being. Exploring how being a taxation student shapes their sense of self and identity. The role of peers, family, and society in shaping their experiences and perceptions. Strategies for dealing with challenges, setbacks, and stressors in their academic journey. Planning for the future, career aspirations, and the impact of their education on their long-term goals. Understanding and managing emotions in the context of academic and personal life. Developing resilience and a growth mindset to navigate challenges and setbacks positively.

Outcome: Understanding how students balance study time with other commitments can lead to the development of effective time management strategies. Studying how taxation students think, reason, and problem-solve can inform the development of curriculum and teaching methods that enhance these skills. And also understanding the impact of attitudes towards taxation, learning, and the future can lead to interventions that improve academic performance and well-being.

Resource Person: Ms. Sowmya J (Psychologist, ICAS LIRA), Expert in conducted Psychological sessions and trained counselor. The Resource Person has been continuously conducting different sessions on psychology to Teenagers, Students and Corporate Players.

Purpose: Menstrual hygiene is essential for promoting the health, dignity, and empowerment of individuals who menstruate, as well as for fostering gender equality and social inclusion. It helps in developing capacity and confidence in oneself.

Outcome: Menstrual hygiene is crucial for the health and well-being of individuals who menstruate. The major outcomes are:

- Proper menstrual hygiene practices help prevent infections
- Knowledge about proper menstrual hygiene products and facilities is essential for maintaining dignity during menstruation
- Choosing eco-friendly menstrual products, such as reusable cloth pads or menstrual cups, contributes to environmental sustainability by reducing the amount of waste generated from disposable menstrual products.
- Such a session helps to improved self-esteem and confidence.

THE SORCERY OF A SPILLED SHE CHAIN

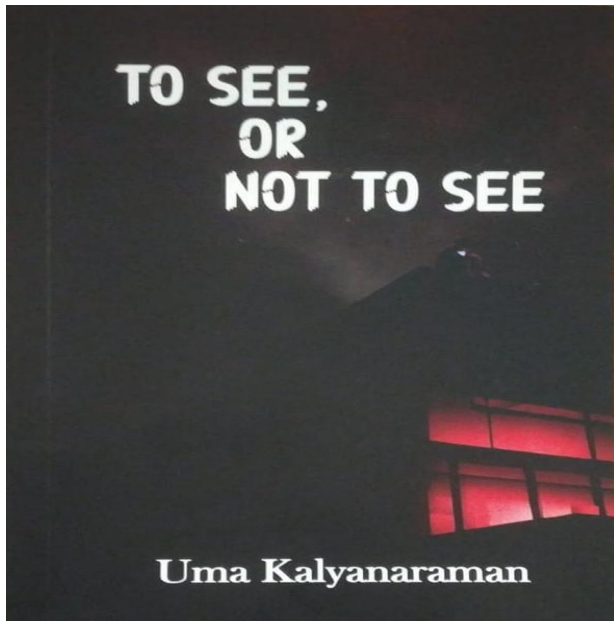

Sukrutha TS

Developing the original and experienced content from her lifestyle, Sukrutha TS from Kongad village, who is pursuing her Post Graduation in English Language and Literature from Yuva Kshetra Institute of Management Studies, Palakkad Mundur has been already recognised as an eminent author of Miles of Smiles, The blooming corresponds, The drenched memories (poems) and as a translator, of Pranayathinte Murivadayalungal (Malayalam poems) whose writing evokes to the feminine levels and impressions of the voice of the experimenter and the experienced. Belonging to a middle-class family, she still produces works of abrupt truths.

Parents: K B Sheeja and T A Sunder.

----- About the book-----
In this story, inspired by the play that is centuries old and remains a cult classic - there are elements similar to Shakespeare's story. But this one, doesn't have as many deaths, and all's well that ends well, for most.

----- About the Author -----
Uma Kalyanaraman, is an aspiring novelist with a special affinity towards the eerie and supernatural.

TWO DAY NATIONAL CONFERENCE
23 & 24 JANUARY 2024

EXPANDING HORIZONS IN ENGLISH LITERATURE :
LATEST TRENDS AND PARADIGMS

YUVAKSHETRA INSTITUTE OF MANAGEMENT STUDIES
PG DEPARTMENT OF ENGLISH LANGUAGE
AND LITERATURE

YIMS

Yuvakshetra Institute of Management Studies (YIMS) is a centre for higher education in the Palakkad district of Kerala, one of the best of its kind in South India. YUVAKSHETRA is a compound word in sanskrit. It means holy gathering place for the youth. True to its name, the organisation has become one of the most coveted institutions in Palakkad where young people seek education. YIMS, established by the Yuvakshetra Charitable Trust, is a project of the Diocese of Palghat and affiliated to the University of Calicut. It was formally launched in 2005 under the visionary leadership of Rev. Fr. Sebastian Panjikkaran, the founder-director of the institution.

PG DEPARTMENT OF ENGLISH

Language, being skill oriented, can be learned only by practicing the four skills of listening, speaking, reading and writing. Since its inception in 2012, the Department of English in YIMS is committed to equip the students well versed in the field of language and literature through diverse academic activities, the department always strives to inculcate the humane aspects in the character formation of students and instill in them values such as compassion, open mindedness, empathy, integrity etc. transform them to be better human beings.

THE CONFERENCE

In contemporary English literature, several trends and paradigms have emerged, reflecting the dynamic nature of literary expression. One prominent trend is the exploration of diverse voices and perspectives, with a heightened focus on underrepresented narratives. Authors are delving into multicultural and intersectional themes, challenging traditional literary canons. The digital age has influenced storytelling, giving rise to experimental forms like interactive narratives and transmedia storytelling. Additionally, metafiction remains a notable paradigm, as authors self-consciously explore the boundaries and conventions of storytelling. Literature is also witnessing a resurgence of interest in poetry, with poets experimenting with form, language, and themes. Themes of mental health and self-discovery are prevalent, reflecting contemporary societal conversations. Overall, the latest trends in English literature showcase a rich tapestry of voices, genres, and forms, highlighting the ever-evolving nature of literary expression in response to our changing world. We are delighted to call for papers for the upcoming Two-Day National Conference on "Expanding Horizons in English Literature: Latest Trends and Paradigms" on 23 and 24 January 2024. This seminar intends to bring together the literature lovers, scholars and researchers interested in exploring the multiple possibilities and functionalities of English Literature.

Event Type: Workshop

Event Title: Inspire the world with GIS

No. of Student Participants: 66

Resource Person: Mr. Pankajakshan P, Assistant Professor, Govt. College Chittur

Purpose: Awareness of open-source GIS platforms can benefit students, educators, and professionals in the field of geospatial science and technology. By integrating open-source tools into academic curricula, training programs, and professional development initiatives, individuals can gain practical skills and hands-on experience with GIS technology, preparing them for careers in diverse sectors such as environmental management, urban planning, agriculture, and humanitarian aid.

Outcome: An awareness about the open source GIS softwares is created for students. also enhanced their skill in the usage of the same. Increased awareness of open-source GIS platforms fosters collaboration and knowledge sharing within the GIS community. Users are more likely to contribute to open-source projects, share code, data, and best practices, and participate in online forums and communities. This collaborative environment accelerates innovation, promotes problem-solving, and expands the collective expertise of GIS practitioners worldwide.

Event Title: Enhancing Interview skills: Workshop

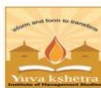

No. of Student Participants: 25 IBPS Cleared Students

Resource Person: Ms.Asha Krishnan (Asst. Professor, YIMS)

Purpose: To prepare students for the upcoming IBPS interview. Workshops often provide opportunities to network with other attendees, workshop facilitators, and industry professionals.

Outcome: Students gave a mock interview and corrections were rectified. Workshops often include activities and practice sessions that help build confidence in candidates abilities to handle interviews. This increased confidence can positively impact candidates performance during the actual interview.

Purpose:

- Help the students to conduct complex statistical calculations.
- To make the students aware about the new computer language.

Outcome:

- Participants acquired the basic knowledge about the programming language PYTHON..
- Participants acquired the ability to build basic programmes using fundamental programming constructs like variables, conditional logic, looping and functions.

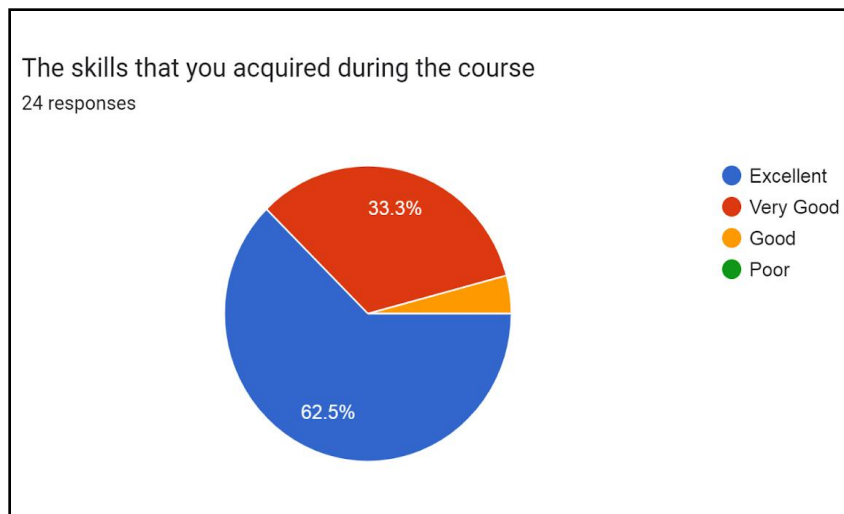

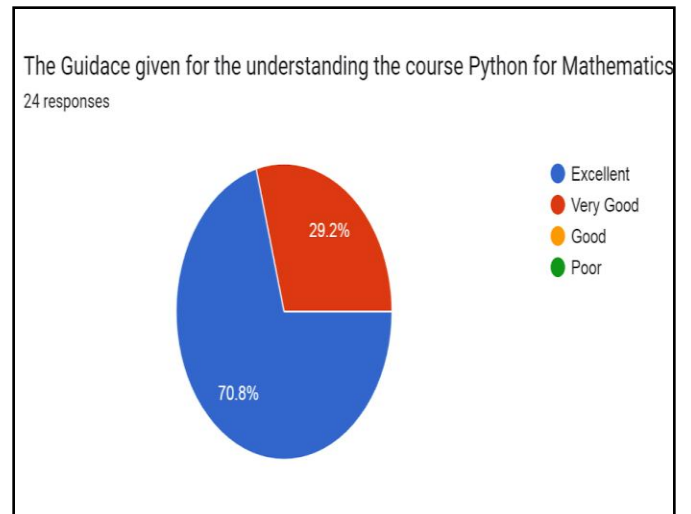

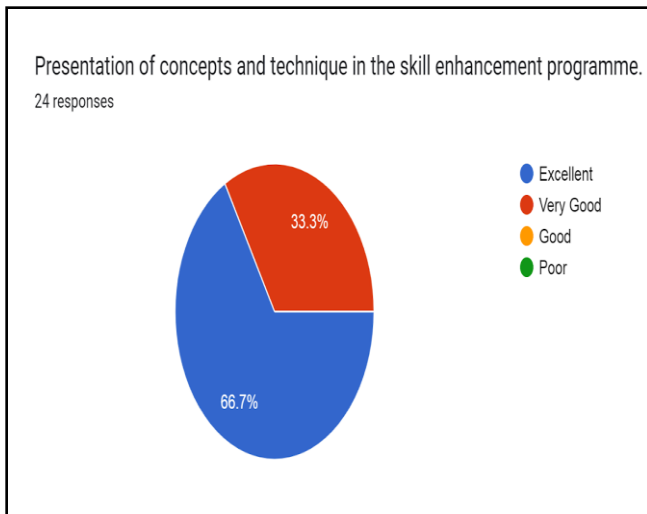

Student Feedback

- The participants are highly satisfied with the sessions and they acquire special skills in the PYTHON language.

Event Title: LUXE BUILD 1

No. of Student Participants: 7

Resource Person: Ms Ansha Shajee

Purpose: The Luxe LED Assembly Workshop aimed to equip second-year BSc Physics students with practical skills and insights into LED technology. Through hands-on training guided by experienced instructors, participants learned the intricacies of assembling LED components, fostering a deeper understanding of theoretical concepts and preparing them for future careers in physics and technology.

Outcome: The Luxe LED Assembly Workshop empowered second-year BSc Physics students with practical expertise in LED assembly. Participants gained proficiency in selecting components, soldering techniques, and quality control measures. This hands-on experience bridged theoretical knowledge with real-world application, enhancing students' readiness for careers in physics and technology while deepening their understanding of LED technology.

Student Feedback: Luxe Build 1 feedback analysis reveals over 90% satisfaction. Participants laud content relevance, instructor guidance, and engaging sessions. Opportunities for improvement include diversifying learning formats and enhancing feedback mechanisms. We remain committed to excellence and thank participants for their valuable contributions.

No. of Student Participants: 12

Resource Person: Mr. Abhijith P S, Mr. Akhil K

Purpose: The LED Bulb Assembling Workshop sought to offer first-year B.Sc Physics students practical skills in crafting LED products. Guided by former students Abhijith P S and Akhil K, the session aimed to connect theoretical concepts with practical usage, thereby enhancing students' grasp of physics in technological contexts.

Outcome: The LED Bulb Assembling Workshop enabled first-year B.Sc Physics students to gain hands-on experience in crafting LED products. Under the guidance of former students Abhijith P S and Akhil K, participants actively engaged in the assembly process, enhancing their practical skills and understanding of physics in technology.

Student Feedback: The feedback analysis indicates a highly positive response to the LED Bulb Assembling Workshop. The majority rated the overall organization, clarity of demonstrations, understanding enhancement, and satisfaction level as excellent. Participants found the hands-on experience engaging and interactive. Overall, the workshop received overwhelmingly positive feedback, reflecting its success in achieving its objectives.

Resource Person: Ms Ajil K antony

Purpose: The Department of Physics organized a decorative lamp exhibition on December 5th, 2023, aiming to foster student innovation and entrepreneurship. Through showcasing LED bulb assembly and unique lamp designs, the event provided a platform for students to explore practical skills, promote creativity, and encourage entrepreneurial endeavors within the academic community.

Outcome: The Department of Physics' decorative lamp exhibition on December 5th, 2023, showcased student innovation in assembling LED bulbs. The event promoted entrepreneurship, displayed products, explained assembly processes, and facilitated sales, fostering innovation among students.

Student Feedback: The majority rated decorative lamp designs' creativity as excellent (90.5%), reflecting high appreciation. Overall the exhibition received overwhelmingly positive feedback, rated excellent by most (92.6%), indicating a successful event. Minimal suggestions for improvement show high satisfaction levels, underscoring effective execution and promotion of student talent and entrepreneurship.

Purpose: The session took place on 29th January at Sapienza Hall. The primary objective of the session was to provide participants with a captivating journey through the vast expanse of the universe, exploring distant galaxies, celestial phenomena, and the latest advancements in astronomical research. The session aimed to inspire awe and curiosity, fostering a deeper appreciation for the vastness and complexity of the cosmos.

Outcome: The session featured an esteemed speaker Mr. Vinod Kumar with a multifaceted expertise, recognized as an ISRO Space Tutor, NASA Certified Trainer, and World Robot Olympiad Coach for Team India. The session featured interactive displays, including simulations, and visualizations that allowed participants to virtually traverse the cosmos. Attendees could explore distant galaxies, planetary systems, and black holes, enhancing their understanding of the mind-boggling scale of the universe.

Student Feedback: Feedback from participants was overwhelmingly positive. Attendees lauded the session for demystifying complex concepts and making the vastness of the universe accessible to a broad audience. A question-and-answer segment provided participants with the opportunity to engage directly with the speaker, addressing their queries about astrophysics, space exploration, and the latest developments in the field.

Department: PG Department of Psychology

Event Type: ICT/Computer Skills

Event Title: Competence With Computer for Budding Scholars

Resource Person: Mr. Anil Kumar and Mr. Jibin Joy, Assistant Professors, YIMS

No. of Student Participants: 50

Purpose: PG department of Psychology, in association with IQAC, Skill Formation & Enhancement Committee and Dept. of Computer science conducted a workshop titled “**Competence with Computer for Budding Scholars**” for UG third year students of the department on 27/07/23 at the computer lab 2 (CH block) for equipping the students to use of MS Word and MS PowerPoint effectively. Vice Principal of Yuvakshetra, Rev. Dr. Joseph Olikalkoonal, inaugurated the session and addressed the gathering. Head of Department, Rev. Dr. Gimmi Antony Akkattu felicitated the gathering. In this free word tutorial, students learn how to format text, save and share documents, modify line and paragraph spacing, use tables and columns, and do more with their project documents which will be helpful for their research.

Outcome: PG department of Psychology, in association with IQAC, Skill Formation & Enhancement Committee and Dept. of Computer science conducted a workshop titled “**Competence with Computer for Budding Scholars**” for UG third year students of the department on 27/07/23 at the computer lab 2 (CH block) for equipping the students to use of MS Word and MS PowerPoint effectively. In the workshop faculties demonstrated and explained to the students about various tools in the MS Word and different keys that can be utilized to make the documents look formal. Demonstration and elaboration on the various techniques and aspects that can be used while making a PowerPoint Presentation was also discussed. The students were given a chance to create data and to prepare a PowerPoint using the different tools and keys discussed in the class. It was an effective session. The students were able to enrich their knowledge and skills for effectively using the MS Word and MS PowerPoint.

Report: on: 30-06-2023

Department: PG Department of Psychology

Event Type: Life Skill Activity

Event Title: Practical Yoga Session- “Yoga for Vasudhaiva Kutumbakam”

No. of Student Participants: 130

Purpose: PG Department of Psychology in association with IQAC conducted a practical yoga session on the theme- “Yoga for Vasudhaiva Kutumbakam” on June 23rd 2023 at Yuvachethana Hall. Session was inaugurated by Principal Dr. Tomy Antony and Head of the Department Rev. Dr. Gimmi Antony Akkattu felicitated the session. The movements of yoga are designed to challenge flexibility, balance, coordination and strength, increasing your body’s efficiency and overall health. Breathing techniques promote greater mind body connection, improving the function of body and mind. The purposes of yoga were to cultivate discernment, awareness, self-regulation and higher consciousness in the individual. As the split occurring between those seeking physical developments versus those seeking spiritual development has widened, the lack of awareness and attention to inner experience has disconnected the practitioner from his body. Through practical yoga session students got training on yoga which improved their flexibility, balance, coordination and strength.

Outcome: A practical yoga session conducted on the theme "Yoga for Vasudhaiva Kutumbakam" on the occasion of International Yoga Day offered various benefits, both at the individual and societal levels. Yoga is known for its numerous health benefits, including improved flexibility, strength, and balance. The session included relaxation and meditation techniques that can help reduce stress and promote a sense of calm and inner peace. The session also raises awareness about the practice of yoga and its positive impact on health and lifestyle. This event brings students together, fostering a sense of community and shared purpose, opportunity for cultural exchange and appreciation of Indian traditions.
