### PARENTS FEEDBACK REPORT 2022-2023

#### **Introduction:**

An annual survey was conducted to assess the satisfaction of parents regarding the services of the college. Each year we ask parents to complete a feedback form to gain an insight into how college could improve on various parameters. We value feedback and treat it with highest respect, courtesy, value and confidentiality.

#### **Parents Feedback**

The report presents an analysis of the feedback provided by parents regarding their ward's experience in the institution. The purpose of the report is to identify areas of satisfaction and concern, as expressed by parents, and provide insights for improvement. The feedback was collected through a structured survey distributed to parents of all the students. A total count of **2139** parents participated in the survey. The survey consisted of questions related to various aspects of the college experience, including academics, facilities, extension activities, placement, faculty approachability, communication, and overall satisfaction.

Majority of the Parents (**91%**) expressed satisfaction with the quality of education provided and the expertise of the faculty. Many parents (**91%**) appreciated the availability and approachability of faculties for guidance and support. Positive comments were received regarding the Extracurricular (**76%**) and Extension Activities (**81%**) of the college for holistic development. Parents expressed satisfaction with the well-maintained infrastructure, including classrooms, laboratories, audio-visual auditoriums and library.

Appreciation was shown for the availability of Cafeteria and Hostel facilities. 76% of the parents Commented positively on the placement initiatives of the college. Overall, parents expressed satisfaction with several aspects of their child's experience at the institution.
