VARIOUS PROGRAMMES CONDUCTED BY ANTI NARCOTIC CELL AT YIMS DURING 2023-24 ACADEMIC YEAR

File No : ANC 23-06

Event on: 26-06-2023

Report on: 30-06-2023

Department: PG Department of Psychology in association with Anti-Narcotic Cell & SIMHAR

Event Type: Seminar

Event Title: A Seminar on Drug Addiction: Familial Risk & Protective Factors

No. of Participants: 65 students + 7 parents

Resource Person: Mrs. Sunaina Ayilyath, RCI registered Clinical Psychologist

Purpose:

- To make aware of the role of different familial factors, both that protects and risks individuals to abuse of drugs.
- To bring awareness for both students and parents involving them in a discussion on various dangerous drugs, its impact on humans mental well-being, factors concerning the home and family environment that leads to drug abuse and that deviates one from drug abuse.

Outcome: The programme was successful in providing the students with an awareness about drug abuse. It was also helpful for parents to know the various factors involving family that can lead the children to drug abuse and what they can do to prevent their children from using drugs.

Department: Physics & Chemistry

Event Type: Awareness Program

Event Title: Documentary Show: "Lahari"

No. of Student Participants: 30

Purpose:

- To raise awareness about drug abuse, showcasing its impacts on individuals and society
- To foster empathy, understanding, and proactive engagement.
- To inspire positive change, challenge misconceptions, and mobilize communities against drug abuse.

Outcome:

The outcome of the "Lahari" documentary program includes heightened awareness about drug abuse, increased empathy towards affected individuals, enhanced understanding of the issue's complexities, and empowered communities to take proactive measures against drug abuse, ultimately leading to a reduction in substance use and improved support systems for those affected.

Report on: 20-03-24

Department: PG Department of English

Event Type: Chart Making Competition

Event Title: "Stop Smoking, Breathe Fresh "

No. of Student Participants: 15

Purpose:

- To educate the public about the dangers of secondhand smoke exposure , especially for children and non-smokers
- To raise awareness about the health hazards associated with smoking, including cancer, heart diseases and respiratory issues.
- To make healthier choices and motivate non-smokers to avoid start smoking.

Outcome:

- Increased awareness about the health hazards of smoking among the general population
- Was able to understand the benefits of smoking cessation and available resources for quitting.
- Was able to promote the adoption of smoke-free campus policies, creating healthier environments for students, staff and visitors.

Feedback:

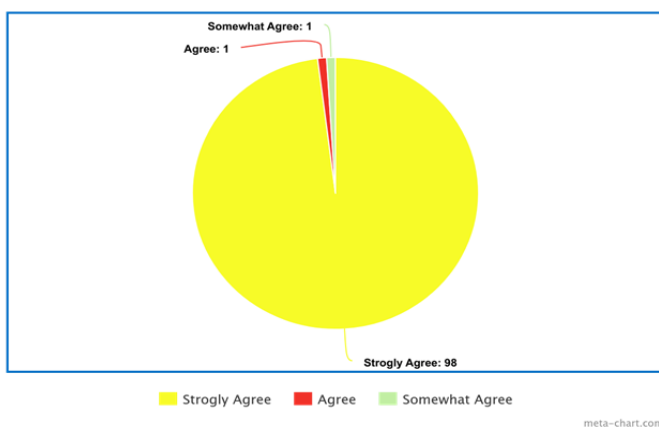

The students were of the opinion that the competition enabled them to enhance their knowledge on the harmful effects of smoking and also improved their presentation skills. It also paved a way for the participants to present their ideas on the topic creatively through pictures and caricatures.

Feedback Analysis:

- The programme was helpful in knowing about the health hazards of smoking.

- * . The programme enhanced the creativity level of the students:

Department: PG Department of Psychology in association with Anti-Narcotic Cell

Event Type: Outreach programme

Event Title: A Visit to Shalom Institute of Mental Health and Research, Parli.

No. of Student Participants: 17

Purpose :

- To extend the participation of students in activities outside the campus and to sensitize students towards the duties and responsibilities within the society and community.

Outcome:

The programme enabled the students to create and perform activities like musical drama for creating an awareness of drug abuse and its impact on various domains of life. It evoked creativity and a sense of joy in creating a piece of art and transforming it to something informative and relevant. It gave them an equal opportunity to feel the sense of duty and responsibility being a psychology student to pass relevant information to the public.

Feedback

The students were of the opinion that the programme gave them a chance to think and act beyond what actually they knew about drug abuse which in turn enabled them to present their ideas on the same.

Feedback Analysis

- How far was the programme useful for others ?

- How far is the topic selected for the programme relevant in the current scenario?

Department: PG Department of Psychology

Event Type: Video-making competition

Event Title: A World free of Drug Abuse

No. of Student Participants: 2

Purpose:

- To assess and improve knowledge about drug abuse, raise awareness and to drive creative actions that promote awareness among the students.

Outcome:

Through this competition, students got an opportunity to communicate their ideas and thoughts about drug abuse. It also acted as a platform for showcasing the creative minds of the students and to inculcate a sense of duty and responsibility in them to spread awareness about drug abuse among their peers and the public as well.
