JOB ORIENTED COURSES

YIMS supports students by including job-oriented courses as part of its student support activities to enhance employability and skill development. These courses are carefully designed to bridge the gap between academic learning and industry requirements, ensuring that students gain practical knowledge and relevant skills for their careers.

INCUBATION CENTRES

Yuvakshetra Institute of Management Studies (YIMS) has deployed an incubation center to support students and the community in gaining first-hand experience and promoting innovation-driven activities within the college. Additionally, the center will mentor and support the production and sale of value-added products such as LED bulbs, beauty soaps, pain balms, and more.

INAUGURATION OF LED INCUBATION CENTRE

OBJECTIVE

To provide hand on training students to assemble LED bulbs and tube lights as a part of skill development.

REPORT

LED Incubation Centre of Yuvakshetra Institute of Management Studies was inaugurated by Rev. Dr. Mathew George Vazhayil, Director, YIMS on 20th June 2022 at Physics Laboratory. The programme started with prayer by Amritha P V, III B.Sc. Chemistry. Mr. Ajil K Antony, HoD, Department of Physics welcomed the gathering. Following the inauguration, the resource person Shri. Madhukrishnan K, (EMC Kerala Energy Conservation Award Winner (2019), CEO, Herbal Heritage Homes, NGGFn Resource Person, EMC Member) provided a hands on training to selected students of III B.Sc Physics and Chemistry on LED bulb Assembling. They will be acting as resource persons to others now after. Rev. Dr. Mathew George Vazhayil, Director, YIMS, Dr, Tomy Antony, Principal, YIMS and Rev. Dr. Joseph Olikkalkoonal, Vice-Principal, YIMS also took part in the workshop and assembled LED bulbs and tubelights. Vote of thanks was delivered by Dr. Rahul M O, Assistant Professor, Department of Chemistry. Megha Mugundan & Aarya Menon, (III B.Sc. Physics) were the MCs for the programme. There were about 17 participants including Staff and Students.

The department of chemistry and physics conducted I Y Skill enhancement training for this year chemistry and physics students on soap making on 1st August 2022. As part of the program the students were trained on the preparation of various types of soaps like glycerin soap, loe ve a soap, shea butte soap etc. The training was given by Prof. Meena Leena Paul and was supported by faculties of the department of Chemistry and Physics. 41 students took part in the training programme.

COLLEGE CANTEEN

YIMS has enhanced and upgraded the college canteen to provide a better dining experience for students and staff. The canteen now offers a wider variety of hygienic, nutritious, and affordable food options in a comfortable and well-maintained environment. This initiative ensures that students have access to quality meals, fostering a healthier and more engaging campus life.

E-content Development

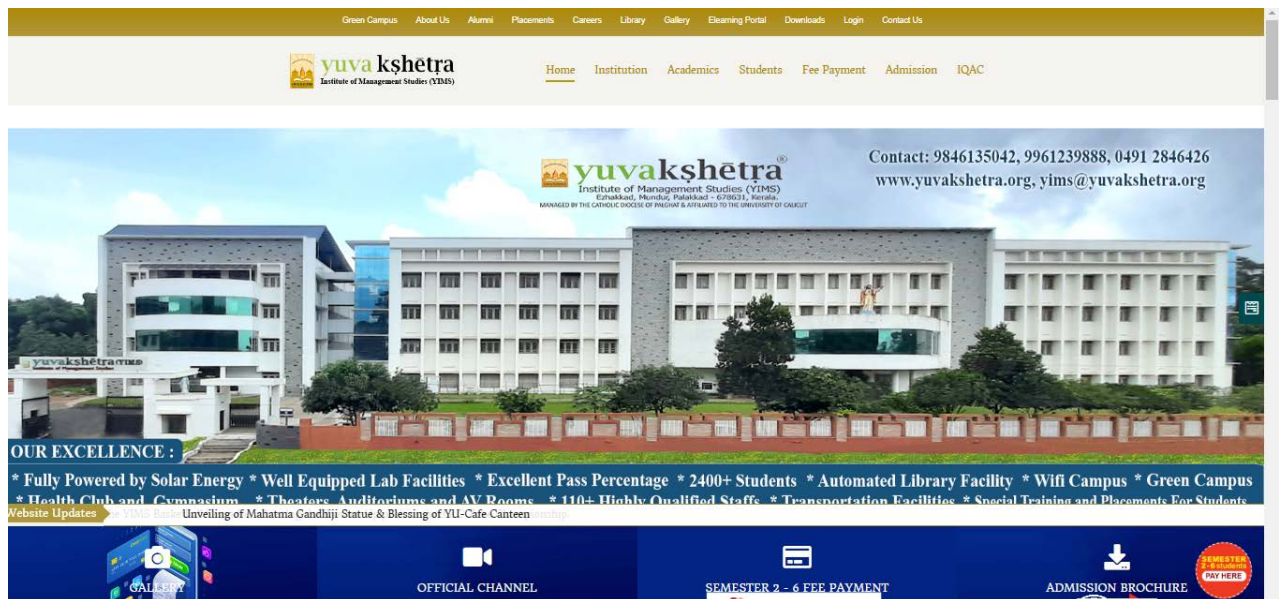

YIMS has introduced e-content to enhance digital learning and provide students with accessible, high-quality educational resources. This initiative supports a modern learning environment by integrating digital materials, interactive modules, and online study resources, ensuring a more engaging and flexible educational experience.

E-Contents on Website: Nurturing Digital Learning Environments

Our institution, YIMS, underscores the importance of e-content development, evident through the "ELearning @ YIMS - Now You Can Easily Get Your Lecture Notes" provision on our website. The enclosed screenshots of the login page, student profile home page, and teacher profile home page visually demonstrate our commitment. These images showcase the seamless access and organization of lecture notes, affirming our dedication to providing a dynamic digital learning environment. This tangible evidence emphasizes our institution's focus on enhancing the educational experience through accessible and organized digital resources.
